The highest point in Florida
is in Britton Hill in the Florida
Panhandle. It is 345 feet above
sea level. The highest point
in Florida's peninsula is
Sugarloaf Mountain
near Clermont at 312 feet.

Africa and Asia are home to nearly 90
percent of the world's rural population.

Florida was named
for the day it was
discovered by
Spanish explorer
Ponce de Leon,
which historians
believe was on
either Easter or
Palm Sunday.

He called the land
La Florida in honor
of Pascua Florida,
the Spanish Feast of
the Flowers (Easter).

Money may not buy happiness, but
I'd rather cry in a Jaguar than on a bus.
~ Françoise Sagan

Uncle Sam Was a Real Dude.
His name? Samuel Wilson.
A meatpacker in Troy, New York,
who fought in the American
Revolution, he later became
the official meat inspector for
the northern army in the War
of 1812. Wilson was given
the nickname "Uncle Sam"
for his good nature.

**The average American woman owns
7 pairs of jeans and only wears 4.**

Be prepared, not scared.

Considering the number of disasters that have occurred in the past decade, chances are you'll experience some sort of emergency. Between school, sports and other activities, chances are you won't be with your kids when it happens.

Ready.gov/kids has the tools to make preparing easy and even fun, so your kids can feel...

Prepared, not scared.

Go to
www.Ready.gov/kids
and talk to your family today.
